Membership Renewal

Mark L. DeBard, Membership Secretary

For those of you who have not renewed your membership by sending in your 2022 dues, your membership expired in December 2021. We do not want to lose you!

The ILS keeps sending the first 2 journals of the year to expired members; then they are stopped, and the non-renewing member is struck from the membership roster by July 1.

Here are 3 ways to renew:

1. Go the ILS website and scroll to the bottom right where it says, "Current Members Renew". If this does not work for you, choose "New Members". The direct link is this:

<https://www.internationalililacsociety.org/account/?action=subscriptions>

This link shows the dues categories and amounts.

You can pay with a credit card, or with a PayPal account. Both types of transactions are handled by the PayPal payment link. You do not have to have a Paypal account to use a credit card.

Renewing this way gives you automatic, immediate access to the member portion of the website. Some of you will have to recover a password.

2. Send a check in U.S. dollars for the proper amount to:

John Bentley, Treasurer
PO Box 6
Salisbury, NH 03268-0006

This does not automatically give you access to the member portion of the website. If you want this access, you'll need to send an email request to myself at: **membership@internationalililacsociety.org**

This requires me to enter a manual transaction to give you access after your membership fees have cleared.

3. Russian members have the option to send their dues to Tatyana Polyakova (if she so agrees to do this for you) who has special payment arrangements with the ILS. You will still need to individually request access to the member portion of the website by sending me an email.

Do not forget to renew before the end of the year, and thanks!

Members at the Des Moines Convention in 2019
